Biography

Wild Sheep Foundation Publications Editor, Jamie Shaffer, is a native of Wyoming who attended High School and the University of Wyoming in Laramie. In 1998, after running a small catering business in Laramie, she and her husband moved to Cody so he could pursue his teaching and coaching career. Happening upon a chance encounter with Executive Secretary Kim Nieters, a long time acquaintance, Jamie was asked if she was interested in a job in the field of wildlife conservation and, as is often said, the rest is history. When not *Putting Sheep on the Mountain*, you will find Jamie enjoying time with her family of four (plus a black lab and another mutt of questionable lineage), or reading anything she can get her hands on.
