Welcome to the Wild Sheep Foundation's 2025 Ram Awards!

On behalf of the Ram Awards Committee and the entire WSF Staff, I would like to welcome you to the 2025 WSF Ram Awards. The awards, started in 1978 are truly an “everyman’s” event with winners coming from all walks of life.

Celebrating outstanding trophies from around the world including international sheep and goats in the Mountain Monarchs categories, the Four North American Wild Sheep (F.N.A.W.S.)—presented to members who have achieved the pinnacle of sheep hunting success by taking Dall’s, Stone’s, desert and bighorn sheep, plus five categories of North American rams. New this year we have moved the Rocky Mountain goats to our North American Awards.

Many of the animals in today’s awards symbolize the opportunities created by wild sheep management and restoration projects funded by your efforts.

Your presence here is highly appreciated, and we are thrilled to have you join us for what promises to be our best ever Ram Awards!

INTERNATIONAL MOUNTAIN MONARCHS

These awards are intended to recognize outstanding international trophies harvested by our members during the previous hunting season. The WSF endorsed CIC Phenotype List Caprinae® has been categorized into the following phenotypes: Argali, Mouflons, Urials, Mouflon & Urial Hybrids, Northeastern Asian Thinhorn Sheep, Pseudo Sheep, Wild Goats, Markhors, Ibex & Relatives, Chamois, Tahrs, and Takins.

Gold, Silver, Bronze & Honorable Mention Awards will be given, if applicable, for each category.

To be considered for a Mountain Monarch Award, an SCI score sheet, WSF Hunt Report form, and a field photograph which clearly shows the size of the animal must be submitted. Visit the WSF website for the most up-to-date criteria for the Mountain Monarch Awards.

These awards will only be given for outstanding trophies. The International Awards Committee will, on a yearly basis, determine the minimum sizes to be considered. In general, an animal must be in the top 20% of record book entries to be considered. If, in a given year, no animals of a category fall in the top 20 percent, no awards in that category may be given. In addition, the number of Honorable Mentions will be limited. In general, no more than three (3) Honorable Mentions per category will be awarded.

\$5,000 IN FLOOR CREDIT!

You'll want to stick around for this one!

All Ram Award Luncheon attendees will receive a ticket upon entry for our 2025 Door Prize Give-away. No purchase necessary. Two lucky winners will be drawn at the close of the 2025 Ram Awards Luncheon on January 16, 2025, in the Mt. Rose Ballroom. Each winner will receive \$2,500 in Floor Credit, redeemable with any of our 2025 Sheep Show Exhibitors!

**You'll have house money to spend in the Expo Hall!
Guaranteed to find something you must have with
over 400 exhibitors to choose from!**

Not valid beyond January 18, 2025. You may use this credit for multiple exhibitor purchases up to the face value of \$2,500. There will be no cash refund for any unused credit.

Must be present to win. Drawing held at the close of the 2025 Ram Awards Luncheon.

F.N.A.W.S.

Four North American Wild Sheep

The F.N.A.W.S. recognizes those members who have harvested the four North American Wild Sheep. Completion of a F.N.A.W.S. is one of the most sought after accomplishments for North American sheep hunters and a F.N.A.W.S. is highly respected throughout the hunting community.

The four North American sheep are:

1. Dall's Sheep
2. Stone's Sheep (or Fannin)
3. Rocky Mountain Bighorn (or California Bighorn)
4. Desert Bighorn

To qualify for a F.N.A.W.S. a member must have legally and ethically harvested all four sheep in a free range environment. Each sheep harvested must be recorded with WSF using the Hunt Report Form and submitted with a field photograph.

Recipients will be recognized alphabetically by last name.

NORTH AMERICAN RAM AWARDS

The Ram Awards recognize outstanding North American sheep harvested by WSF members in the previous hunting season. Beginning with this year's Awards, Rocky Mountain goats will also be part of our North American awards. They were previously recognized in our International Mountain Monarch Awards.

Two types of awards are presented; Rifle and Archery. To qualify for Rifle, rams must meet or exceed the minimum Boone and Crockett (B&C) Awards Book score. To qualify for Archery, rams must meet or exceed the minimum Pope and Young (P&Y) score.

Gold, Silver, and Bronze awards will be given for each sheep/goat in both the Rifle and Archery categories. Sheep submitted that meet the minimum score, but are not in the top three will receive Honorable Mention.

Only official scores that have been measured after the 60 days drying period will be considered.

Visit the WSF website for the most current criteria for our North American Ram Awards.

THANK YOU FOR ATTENDING

The Wild Sheep Foundation's 2025 Ram Awards Luncheon!

EXCELLENCE, DEDICATION, AND COMMITMENT
DESERVE TO BE RECOGNIZED.

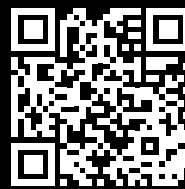

The Wild Sheep Foundation gives various recognition awards annually. Due to the tremendous participation we receive from our members, the prestige and popularity of these awards continue to grow each year.

WSF's Hunting Awards honor the game animals we hunt while recognizing members' accomplishments in harvesting North American sheep with rifles or bows under Fair Chase conditions, as well as outstanding international mountain trophies. Our FNAWS recognizes those members who have harvested the Four North American Wild Sheep. Completion of a FNAWS is one of the most sought-after and respected accomplishments among North American sheep hunters.

Be sure to keep your accomplishments afield up to date in your member account! We monitor your Hunt Report submissions for potential awards and track your One More for Four eligibility and FNAWS as well. Scan the QR codes for more information including the most up-to-date awards criteria and direct access to the on-line Hunt Report form.

MKC CULINARY SET

The MKC Culinary Collection features all three knives from the collaboration between MKC Founder & Master Bladesmith, Josh Smith and renowned knife maker Mareko Maumasi. The knives are made with Magnacut Stainless Steel and finished with a black Cerakote® coating for optimal durability. The wood magnetic knife stand will display your knives beautifully. The Montana Knife Company™ edge grain cutting block is great for everyday use.
