

WILD SHEEP FOUNDATION HUNT REPORT FORM

The information provided will be used to update your member profile with the sheep and/or goats you have taken. This is also the official entry form in the North American Ram Awards, International Mountain Monarch Awards, and FNAWS recognition. It is also used to track One More for Four eligibility.

Your hunt information and photographs may be used in WILD SHEEP magazine or the WSF web site. If you have a hunt story, please be sure to submit that as well. We'd love to read it and send it to the editors for consideration.
