PLEASE NOTE: Wild Sheep Legacy Foundation (WSLF) and Wild Sheep Foundation (WSF) Investment Policy Statements (IPS) govern both the **WSLF Endowment Fund** and the **WSF Conservation Fund**. The WSLF is a Supporting Organization (Foundation) of the WSF and is governed by a Board of Trustees made up of Life Members of WSF. The **WSLF Endowment Fund** is an endowed fund whereby CPI adjusted corpus is protected and preserved. The WSLF IPS includes a spending policy target of approximately 4% annual distribution to WSF to fund mission programs as directed by the donor. The **WSF Conservation Fund** is a “quasi-endowed” Fund with a similar (i.e., approximately 4%) annual distribution to fund mission programs as directed by the donor. However, while the general intent is to maintain a CPI adjusted corpus, at WSF Board of Directors’ discretion, the **WSF Conservation Fund** corpus can be used for mission critical programs and initiatives. The phrase “Area of Greatest Need” used above is determined by WSF and/or WSLF (as applicable) at its discretion. For copies of WSF and WSLF Fund Agreements, Investment Policy Statements and/or Bylaws please contact the WSF headquarters.

**Wild Sheep Foundation (WSF) and Wild Sheep Legacy Foundation (WSLF) are 501(c)3 charitable organizations. They intend for contributions to be tax deductible to the fullest extent allowed by law. Check with your tax advisor for deductibility of charitable donations.*
