◀ THIS STEYR SCOUT 6.5 CREEDMOOR • FROM JULY 1 - DECEMBER 31

The Steyr Scout in 6.5 Creedmoor is a lightweight, compact, and durable bolt-action rifle designed for versatility in hunting and field use, featuring an integral bipod, backup ghost-ring sights, a built-in spare magazine in the buttstock, an adjustable length-of-pull, and a three-position safety. It has a 19-inch fluted, cold-hammer-forged barrel, a 5-round capacity, and a smooth SBS (Safe Bolt System) action.

The Chadwick Ram Society (CRS) was formed in 2013 to create a pathway for Wild Sheep Foundation members who were looking for an opportunity to contribute to the Foundation's Mission beyond their regular annual membership. In a short period of time, CRS has come to play a critical role in raising significant funding for wild sheep enhancement projects that otherwise would not have happened. Since inception, the Chadwick Ram Society has put ~\$2.8 Million "back on the mountain". The best part is, there is a level of giving for just about everyone!

*** NEW** members will be given 1 (one) entry per pledge level.

*** EXISTING** members who upgrade will be given 1 (one) entry per level of upgrade (Max. 4).

*** REFER A NEW MEMBER** existing members will receive 1 (one) entry per referral.
