

Auction Split Policy

The Wild Sheep Foundation (WSF) funds our purpose of “*Putting and Keeping Sheep on the Mountain™*” primarily through the generosity of our donors, exhibitors and members. Exhibitor donations to our convention auction programs, while not required, are greatly appreciated and help us to achieve our mission. 100% donations are encouraged and enable us to do more for wild sheep, wildlife and wild places. We thank you for your support!

Auction splits for non 100% donations are based on the final bid price and are provided under the following scale:
