Exhibitor parking

Please note tall items may need to load in elsewhere-Contact Mike for details.

Move in Map
With some changes at the center this year, we will have to follow the MiMo Marshalling Plan. Exhibitors utilizing the POV system (private vehicles not carriers) will enter from Peckham Lane at Gate 2. From there they will stage into Lot B, B1, & A. Traffic will go south across the front of the center through lot F into Hall 5. Do not enter through any other gate.

Staging area

Drive as directed to MiMo loading area
