7. Hunts are to be taken only in the year specified by the donors. Exceptions are subject to donor's approval. Hunts MAY ONLY be transferred to another <1 Club Member in good standing & MAY NOT BE SOLD.

8. By joining you certify that you have not yet taken a wild sheep ram* in North America (free range California bighorn, Dall's, desert bighorn, fannin, Rocky Mountain bighorn or Stone's sheep) or an indigenous ram internationally and that you have read and understand the Rules and Regulations set forth by WSF for the <1 Club.

***NOTE:** A wild sheep ram is considered a California bighorn, Dall's, desert bighorn, fannin, Rocky Mountain bighorn or Stone's sheep in North America or a non-North American wild sheep taken outside of North America and recognized under WSF's Mountain Monarchs Award Program.

The <1 Club is for those aspiring sheep hunters who have not taken a wild sheep ram under free range/fair chase conditions in North America or an indigenous ram outside of North America.

A free-range aoudad qualifies for WSF Mountain Monarch Awards. Consequently since the launch of the <1 Club in 2012 taking a free range aoudad in North America would get the hunter "Kicked Out" of the <1 Club (but not the <1 iClub which is outside of North America.) In light of the management need to harvest more aoudad which negatively impact desert bighorn sheep, the <1 Club Committee has changed the <1 Club Rules effective with the 2023-24 program.

EFFECTIVE IMMEDIATELY

Taking an Aoudad under free range conditions in North America does not disqualify a hunter from <1 Club membership and/or entry into the 2024 hunt drawings!
